

INTERNET SERVICE, LIBRARY AND ENGLISH

ENGLISH COURSE

Kids and youth learn to communicate effectively and more fluently through courses in basic and business English.

LIBRARY

The Library Project is designed to increase knowledge, experience and skills by providing access to the best books and electronic multilanguage resources to the Kosova people. In Addition, project will donate books and electronic resources to under financed schools and orphanages in Kosova.

INTERNET SERVICE

Two-days/weekly Internet class explores the major search engines and reviews search strategies for finding information effectively and efficiently. Find the best databases to answer your information needs. Also, available daily internet for kids and youth for very affordable price.
